

Ebitator Legal Documents

Terms & Conditions

Service Description

Ebitator is a platform that enables business owners to monitor their company's value, access analytical insights, and make anonymous market notifications. Ebitator does not provide financial, investment, or legal advice.

User Responsibility

All decisions made based on information provided by Ebitator are the sole responsibility of the user. The user acknowledges this and should consult licensed advisors where necessary.

Account & Security

Users are responsible for maintaining the confidentiality and security of their accounts and login credentials.

Intellectual Property

All Ebitator software, trademarks, logos, and content are the property of Ebitator. Unauthorized use is prohibited.

Service Availability

Ebitator strives to maintain stable operations but does not guarantee uninterrupted or error-free access.

Changes

Ebitator may update these Terms & Conditions by publishing a revised version on the platform. Continued use of the service constitutes acceptance of the new terms.

Privacy Policy

Data Collection

Ebitator collects data entered by the user (e.g., company financial data, market notifications) as well as technical usage data (e.g., logs, cookies).

Use of Data

The collected data is used to:

- generate analytical insights and benchmarking indicators,
- deliver anonymous market notifications,
- improve the service and user experience.

Data Sharing

Ebitator does not share user data with third parties without consent, except where required by law or when the user activates a market notification (the content of which is disclosed according to the selected package).

Data Retention

Personal data is retained as long as necessary to provide the service or as required by law.

User Rights

Users have the right to access, correct, or delete their personal data in accordance with applicable data protection laws (including GDPR).
